NEW HOURS!!

Tuesday, Wednesday, Thursday
10am to 3pm

From our Executive Director

What began as a pregnancy resource center over 20 years ago, supplying diapers and other baby items to moms in need, has grown into a family life ministry through the variety of programs currently offered.

Your support this year has enabled us to assist over 200 families, conduct 674 case visits, and facilitate 800 classes in parenting, life skills, and bible study. Additionally, we partnered with other local ministries providing clothes, coats, shoes, and household items to families referred by them. Many of our clients include grandparents currently raising their grandchildren and are encouraged by the spiritual, emotional, and material support this ministry provides.

This year we started the renovation of the upstairs area which will allow us to serve more members in our community and impact future generations.

The Under the Sun Thrift Store continues to bless our community and provides some of the funds needed for this vital ministry.

Would you be willing to make a special year-end contribution of \$25, \$50, or \$100 to help us assist more families in these difficult economic times?

With your support, we can impact our community in a lasting way. To partner with us, please visit our website <http://www.clevelandcarecenter.net> or scan the QR code below and make a one time donation.

Thank you for all your prayers and support. Wishing you a blessed Christmas and a Happy New Year!

YOUnique Coaching

a FREE tutoring/life coaching program

You might be thinking, "But I'm Not a Coach!" Have you ever helped your children or siblings with their homework? Ever been a homeschool parent? Learned a new hobby? Worked with children or youth in your church? YOU could be a YOUnique Coach. Are you a military veteran? Work with computers? Speak a second language? Are you a history buff? A travel buff? An artist? **YOU could be a YOUnique Coach.** Do you love to see young people become confident learners who grow to become responsible citizens? Do you love to see young people grow in their faith and learn how to live a life that honors God? **YOU could be a YOUnique Coach.**

YOUnique Coaching is unlocking a person's God-given potential to maximize their own performance. A YOUnique Coach helps a student learn rather than teaching them. As a YOUnique Coach you make a difference by encouraging and urging students to become the best they can be.

For more information on becoming a volunteer coach or student, please call Sharon Shackelford at 706-219-1678.

Life Coaches needed! We are getting new clients every week looking for guidance with navigating various stages of life. Would you consider volunteering to mentor one (1) woman for one (1) hour each week. Training provided.
