FROM OUR EXECUTIVE DIRECTOR

A Center Update

The Lord continues to bless and amaze us here at the Cleveland Care Center. Each day, we are reminded of His faithfulness through the generosity and support of our community. We are especially grateful to our donors and local churches, whose outpouring of love continues to sustain our mission.

The recent baby bottle campaigns have been an incredible blessing — not just financially, but as a reminder that we are not in this work alone. Your contributions help fund vital programs and services for families in need, and we are deeply thankful.

We would like to give a special thanks to Concord Baptist Church, Yonah Community Church, The Gathering Church and Bethlehem Baptist Church. Your hands-on help in making much-needed repairs, painting, cleaning the carpets, landscaping the grounds, and preparing diaper packages has made a tangible difference. These practical acts of service may seem simple, but to our clients, they represent hope, dignity, and love in action.

It is through the faithful support of our local churches and donors like you that we are able to continue serving families in our community with compassion and care. Thank you for being the hands and feet of Jesus — your partnership means the world to us.

Team Member Spotlight

MEET TAMMY!

We would like to introduce you to one of our thrift store volunteers, Tammy. Since joining us in 2023, Tammy has been a wonderful asset to both the Cleveland Care Center and at the Under the Sun thrift store as one of our main cashiers and prayer warriors. She is a faithful servant of the Lord and to others, bringing a loving presence and kind smile to everyone she comes in contact with. We are so blessed to have Tammy on our team!

CLIENT SERVICES

Due to the number of grandparents raising their grandchildren (and potty training is not easy, especially as a grandparent!) **we desperately need size 3T-4T and 5T-6T pull-ups and wipes.**

Several of our current clients have allergic reaction to Luvs.
